【Digital Poster】

Please register your poster data in advance.

All of the registered poster data will be freely viewable only for 121JDA participants only during meeting, from June 2 at 8:30am to June 5 at 5:00pm(JST).

【Question-and-answer session】

Questions from participants will be sent to your email address which you registered in advance by "MICE navi" system. Please answer as much as possible.

【How to register your Digital Poster】

We will send the presenters your ID, password and URL to log in to the Digital Poster registration site.

Digital poster registration period:

April 19, 2022 (Tue) to May 12, 2022 (Thu) noon (Japan standard time)

＊Please note that we do not accept registrations or corrections after the above registration period.

＊It is expected that access will be concentrated near the deadline, so please register as soon as possible.

＊If we do not receive your digital poster data by deadline, your abstract will be automatically withdrawn.

【Instruction】
